**EUP Virtual Online Collaborative Students – Orientation and Information – We will communicate with you with at a date to be determined for more information on how you will access your online classes.**

Dear Parent and Guardians,

Hello this is LaSalle High School Principal Gregg Fettig. A copy of this message will be posted on the “Headlines” section of the district and LaSalle High School Website that is labeled, “LHS Fall 2020 Return to School Information Center.” The purpose of this message is to communicate with you about important class registration information for students who are planning to attend traditional face to face instruction this fall. Seniors and juniors can register for classes and lockers on Wednesday September 2<sup>nd</sup> from 8:30 am – 3:00 PM. Then in the evening on Wednesday September 2<sup>nd</sup>, at 5:15 PM in the HS Gym, we will hold a “Freshmen Orientation” for any freshman students and parents to attend to get information about traditional face to face instruction in our high school building this fall, take a building tour, and students who attend this orientation would get their class schedules and locker assignments. Then on Thursday September 3<sup>rd</sup>, any freshmen who did not attend freshmen orientation the previous evening, along with sophomores who are planning to attend traditional face to face instruction this fall, could register for classes from 8:30 AM – 3:00 PM. If students need to make a schedule change, we ask to for students or parents to please email our guidance counselor Mrs. Connie Olsen at [colsen@eupschools.org](mailto:colsen@eupschools.org). Emailing Mrs. Olsen would be the preferred method, or you could call the high school office and schedule an appointment with her. We ask all students and parents when attending any of these events on our school campus to please wear a mask when entering our building and to please practice social distancing. Furthermore, if your child has enrolled in the EUP Virtual Online Collaborative we will be communicating with you in the near future when we will be hosting an orientation for these students to get more information to students on how they will access their classes for online learning. If you do not have internet access and are not able to access this information, please call the high school office at 643-8800 and please leave a message and we can get this information to you in a timely manner. Thank you for your patience and have a great evening.
