Automated Message – Reminder to LHS students and parents of online/ virtual learning plan for next 3 weeks.

Dear Parents/ Guardians,

Hello this is LaSalle High School Principal Gregg Fettig. A copy of this message will be posted on the district and LaSalle High School websites under the headlines section labeled, “LHS Fall/ Winter 2020 Return to School Information Center “and can be used for future reference. Additionally, this evening we have posted important teacher contact information along with LHS student and teacher online class meeting dates and times during this three-week closure to this section of the website. As previously communicated with you, teachers have communicated important class information, scheduled online class meeting dates and times with online/ phone connection information on their online learning management platforms and have sent to student e-mails. These online meetings begin tomorrow Friday November 20th at 8:30 am with our teachers and students along with our online remote/ virtual instruction learning activities. As a reminder, these online meetings can be attended by either connecting virtually through the internet, or by calling into the meeting with a phone, which would not require internet connectivity. Again, for students who do not have access to the internet, its recommended that students try and access the internet from one of the regional wireless hotspots. Throughout the St. Ignace community there are drive up wireless hotspots where people can connect to the internet in parking lots. These hotspots include the following locations: Moran Township Hall, Moran Township Schools, outside the cafeteria at LaSalle High School, St. Ignace Public Library, The Lambert Center, St. Ignace Township Hall, Brevort Township Hall, and the Hessel School House on M- 134. We will continue to use this automated message system to communicate important information to you and appreciate your patience in this process. We hope everyone stays safe and healthy in the coming weeks. Thank you and have a great evening.
