November 16, 2020

Automated message sent to LHS Parents – Picture Retakes, NHS Induction Ceremony Postponed, & Upcoming School Closure:

Good Evening this is LaSalle High School principal Gregg Fettig. A copy of this message will be posted on the district and LaSalle High School Website under the headlines section labeled “LHS Fall/ Winter 2020 Return to School Information Center” and can be used as a future reference. The purpose of this call is to remind our high school parents and students that on Tuesday November 17th is picture re-take day in our high school gym area. If your child has received pictures earlier this year and wants them to be retaken, please have them bring in their picture packet they received previously and they can have new pictures taken. Additionally, if a student was absent on the day pictures were originally taken, they will have an opportunity to get their pictures taken. If you are an LHS Student enrolled in the EUP Virtual Online Collaborative, your welcome to come in at 9:30 am for retakes or to get your picture taken. Furthermore, as communicated last night by The Michigan Department of Health and Human Services, all high schools in the State of Michigan are going to be closed for face to face instruction and will go to virtual/ remote instruction for a three week period. Currently, this closure begins Wednesday November 18th and goes through Tuesday December 8th. On Wednesday November 18th and Thursday November 19th, LaSalle High School Teachers will have workdays to prepare for online/ virtual instruction for face to face students. This virtual online instruction for our traditional face to face students will begin on Friday November 20th. Another automated phone call will go out later this week to inform parents and students more specifics of how this online/ virtual format will look like and be delivered for our students. If you are an LHS student and already enrolled and working in the EUP Virtual Online Collaborative, these students will continue to work on their online coursework within this program. Finally, one last announcement, with the restrictions/ suspensions of all school extra-curricular and athletic activities that have been implemented immediately, we have postponed the National Honor Society Induction Ceremony that was scheduled for Tuesday November 17th at 7:00 PM in the high school gym. We will reschedule this event when students are allowed to return to school and will notify students and their parents of a rescheduled date. We appreciate your patience in this challenging process and will continue to communicate information to you through this automated message system. Thank you and have a great evening.
