**Distinguished Service
Award Winner**

Continuous supporter of
St. Ignace Area Schools Athletics
for over five decades

A “behind the scenes” contributor to the school system who provided labor, materials, and equipment on numerous occasions to assist the school district in building, maintaining, and repairing school facilities particularly athletic fields and playgrounds.

Personally laundered and maintained football uniforms every week in the mid 1980s.

A positive role model.

Devoted and loyal fan
of St. Ignace athletics.
